

Wye Point
LIFESTYLE COMMUNITY

frequently asked questions

Why should I choose a Lifestyle Community?

Choosing a Lifestyle Community allows you to live independently and happily while enjoying your retirement. It also provides new opportunities for social events, companionship and physical security, all combined with low maintenance homes, gardens and convenience. Feel safe by surrounding yourself with a community of like-minded friends and trusted neighbours.

Who manages the Wyee Point Lifestyle Community?

Wyee Point Lifestyle Community is owned and managed by Seventh-day Adventist Aged Care (NNSW) Ltd trading as Adventist Senior Living, in the aged care industry since 1960.

Does Wyee Point Lifestyle Community operate under Legislation?

The Retirement Villages Act (NSW) governs conduct and contractual arrangements of all retirement villages in New South Wales and is administered by the Office of Fair Trading.

Do I need to be a Seventh-day Adventist to purchase a villa?

No. At Wyee Point Lifestyle Community we acknowledge and respect spiritual diversity and faith. The Seventh-day Adventist organisation welcomes everyone regardless of race, creed or religion. Our mission is to serve people and our focus is on providing person-centred care and support based on Christian principles.

Will I own my Villa?

When you buy a villa in the Wyee Point Lifestyle Community you will be granted a licence to allow a right of residence in a particular villa during the term of the licence agreement. You will not own the title to the property. You will enjoy full use of all Wyee Point Lifestyle Community amenities for as long as you choose to reside with us.

Can I make alterations to my villa?

There are some alterations you can make to the interior or exterior of your villa at your cost, once given approval by the Village Site Manager. When making alterations you will have to abide with policies in place designed to protect the aesthetic quality and integrity of the Lifestyle Community.

What are the upfront costs when I sign up to purchase a villa?

You may reserve a villa with a \$1,000 fully refundable deposit.

What ongoing costs can I expect to pay?

All residents pay a weekly recurrent fee that may vary slightly depending on the size of your villa. Recurrent fees cover services such as maintenance of all buildings and villas, building insurance, gardening of common areas and lawn maintenance, council rates, garbage removal, water rates and usage, 24 hour emergency medical alert system.

Will any of these costs change?

Weekly recurrent fees change in line with annual CPI increases. They will not be increased beyond this unless residents vote to increase fees based on requests for new services and/or facilities.

Can I purchase a villa as an investment and rent it out?

No. Remember you are purchasing a licence to live in the villa, not the villa itself. With this in mind you must reside at your villa.

Can I leave my villa to a family member or to my estate?

No. As you are purchasing a licence to live in the villa (rather than the title to own the property), your villa must be resold and the incoming resident must enter a new contract with Adventist Senior Living.

Can I have family/friends staying with me?

Yes, absolutely. We encourage residents to maintain strong relationships with their family and friends. Visitors or short-stay guests are welcome at any time, we just ask that you let the Site Manager know to expect some new faces around the complex. If your guest is to stay longer than two weeks you must seek written consent from the Site Manager.

Can I have children come and visit me?

Yes, of course. Children are very welcome to visit and use the Community facilities. As our Lifestyle Community is located lakeside we do ask that all children are under adult supervision at all times.

Can I bring a pet?

We recognise the important role pets play in their owner's lives. We allow fish or small caged birds to be kept in the villas at any time without requiring additional consent. You may bring one small dog or cat with you with the consent of the Site Manager. Wyee Point Lifestyle Community does have a pet replacement form and process.

Can I store a boat or a caravan on-site?

Yes, we do provide storage for your boat and/or caravan. Just let our Site Manager know so that we can be sure to accommodate your requirements. Limited space.

What does the Residents Committee do?

State legislation requires all villages to create rules and regulations that encourage harmonious co-existence between residents. The Residents Committee has an important part to play in these rules, facilitating communication between residents and the Site Manager, working to enhance your community lifestyle. The Residents Committee represents the interests of all residents. Committee members are nominated and elected by residents annually.

Who pays for gas, electricity, internet, water and council rates?

Residents are responsible for electricity and bottled gas costs, phone/internet connection and usage costs and for the insurance of personal contents. The Wyee Point Lifestyle Community operator is responsible for costs associated with water, council rates and building insurances. Natural gas is not available at Wyee Point Lifestyle Community.

What if I change my mind after I move in?

We recognise that this may happen from time to time and allow a 90-day settling in period for you to change your mind. In the event that you do wish to vacate your villa you are entitled to a refund of your purchase price, less payment of a fair rent for the time your villa was occupied, costs for any alterations you have chosen to make to the villa during the period of your stay, and any associated solicitor costs.

Can I do my own gardening?

Yes. It is your responsibility to ensure the gardens attached to your villa are always presentable. If you are no longer able or willing to garden you may contract some Home Care services to assist. You will need to let the Site Manager know if you want to plant trees and shrubs over 2 metres in height.

What happens when I go away on holidays?

Just let us know when you anticipate being away and for how long, then simply lock and leave. You can travel stress free knowing that your home and garden will be looked after.

How close is the local shopping centre?

Lake Munmorah Shopping Centre is only an eight minute drive. Lake Munmorah has a variety of different retail stores including Woolworths, a fruit and vegetable shop, pharmacy, bank, cafes and eateries. There is also a Woolworths and Coles shopping centre and a large variety of retail outlets located just 10 minutes away in Morisset.

How close is the local hospital?

The closest local hospital is Wyong Hospital, eight kilometres (approximately 15 minutes) from Wyee Point Lifestyle Community.

Is there public transport near by?

Yes, both bus and train transport is available close by. A public bus stop is located just 200m from the front of Wyee Point Lifestyle Community, with services operating that stop at the Wyee train station just five minutes away.

Is there a 24 hour emergency response system?

Yes, all villas are fitted with a 24 hour emergency medical alert system linked to a response centre staffed by highly qualified and experienced nurses and other health care professionals. Emergency personnel are engaged quickly if required.

Are all facilities and villas at Wyee Point fully accessible by wheelchair?

Yes, the site and villas have been designed so that all areas can be accessed by wheelchair.

Will I have access to a residential care facility if need be?

Wyee Point Lifestyle Community is an independent living facility with no aged-care facilities on site. Subject to availability and an aged-care assessment, residents with increased nursing needs may consider the Adventist Senior Living aged-care facility located at Cooranbong (approximately 15 minutes drive away).
